Headline sponsor **Pink Lady® apples** - when it comes to snacking it can't get better than a Pink Lady® apple. Brilliant sweet and delicious to eat, a Pink Lady® apple is guaranteed to get your taste buds dancing. Each Pink Lady® apple spends 200 days in the sunshine before being picked by hand. It's this extra time on the tree that helps Pink Lady® apples develop their unique personality, distinctive blush, sweet flavour and crisp texture. Pink Lady® apples are also packed with goodness - they are a natural source of energy and a single apple supplies a quarter of your daily vitamin C.
